# *Contracting 101 Workshop*

Wednesday, June 16, 2010

1:00 PM - 4:00 PM

TBIC BUILDING - Main Street

Mission, SD

**What:** This is an opportunity to learn about economic opportunities and resources available to Native American small businesses and tribal enterprises interested in government contracting and federal procurement opportunities.

**Who:** We encourage Native American small businesses, emerging businesses, and tribal enterprises to attend.

**Why:** This is the first of a series of workshops planned for the Rosebud area. Guest speakers will be available to provide information on government contracting opportunities.

*Please register now, seating is limited!*
