

This procurement technical assistance center is funded in part through a cooperative agreement with the Defense Logistics Agency.

NADC-PTAC Goals

- To provide contract identification and procurement assistance to Native American owned businesses in the Rocky Mountain and Great Plains Regions of the Bureau of Indian Affairs service areas.
- To improve local economies by assisting Native American businesses to successfully compete for and perform government contracts, thereby creating and retaining jobs and bringing other economic benefits to states and local communities.

NADC-PTAC Client Eligibility

- 51% Native or Tribally owned
- Small business concern
- Located in service area
- In business for over a year (may be waived)

NADC-PTAC Services

- Securing necessary registrations
- SDB, 8(a), HUB Zone, and other certifications
- Identifying bid opportunities
- Marketing & Networking
- Workshop and Training in Government Contracting
- Assist in Preparation and Submission of Application, Certifications, and Registrations
